

# **RFP-Dump/Plow/Sander PWE2026-0514**

**TOO-2026-05-Dump Truck**

**Closing May 22, 2026, at 3:00 pm**

Town of Oxford NS is accepting proposals for 1 used 2020 or newer 15,000Kg GVWR 4X4 S/A Dump Truck, equipped with:

- Cummins ISMB 300hp Engine
- 3500 Series Allison Transmission
- 22.5 Tires
- 12' Landscape Dump Body c/w fold downsides & asphalt door(s)
- 9.5' Hydraulic Vee Blade Snowplow
- 4yd Slide-In Salter/Sander electric, gas or hydraulic

Any considerations will need to be in excellent working condition with all physical, mechanical & electrical components working properly without issues. The equipment is to be sold with a current new safety inspection, valid for up to 1 year, from whatever Canadian Province it originates from, at time of sale.

Any equipment considered will be visually inspected and certified by Town of Oxford Representative before sale.

All proposals are to be submitted in written form by way of a formal quotation. Along with the complete information about the equipment quoting, along with the location and availability timeline when the equipment is to be ready for pick-up.

All bidders must include all contact information and company address on all quotations

All Bid must be received by email@ [publicworks@oxfordns.ca](mailto:publicworks@oxfordns.ca), Attention Tender

Before the closing date & time as specified.

Any questions can be forwarded to [publicworks@oxfordns.ca](mailto:publicworks@oxfordns.ca), before May 21, 2026, at 12:00 pm

The Town will consider logistics and delivery cost in analyzing any quotation.

We will not accept accepting bids that do not meet the requirements of this tender. Highest & Lowest Bids are not necessarily accepted due to budgetary constraints.
